WITHDRAWN 03/04/2014

1 On page 53, after line 12, insert the following:

2 "(8) The health care authority and the department are authorized  
3 to develop a program designed to provide integrated managed health and  
4 mental health care for foster children and adopted children receiving  
5 care through the medical assistance program. The integrated managed  
6 care program must be implemented by July 1, 2015. The program must be  
7 designed so that all of the requirements for providing mental health  
8 services to children under the *T.R. v. Dreyfus and Porter* settlement  
9 can be met. The health care authority and the department may combine  
10 and transfer such medicaid funds appropriated under sections 204 and  
11 213 of this act as may be necessary to finance a unified health care  
12 plan for these children. The amount of funding assigned from each  
13 program may not exceed the average per capita cost assumed in this act  
14 for individuals covered by that program, actuarially adjusted for the  
15 health condition of persons enrolled, times the number of clients  
16 enrolled. In implementing the program, the health care authority and  
17 the department may: (i) Withhold from calculations of "available  
18 resources" as set forth in chapter 71.24.025 RCW a sum equal to the  
19 capitated rate for enrolled individuals; and (ii) employ capitation  
20 financing and risk-sharing arrangements in collaboration with health  
21 care service contractors licensed by the office of the insurance  
22 commissioner and qualified to participate in the medicaid program.  
23 The health care authority and the department must provide a report to  
24 the legislature by December 1, 2014 on the progress toward  
25 implementing this program."
